**“SPRAY PARKS FOR FUN”**

Sumter summers are HOT! So cool down this summer at the City of Sumter Spray Parks! Yes, there are three Spray Parks that will open May 12 and the City of Sumter invites you to try them out! Come out to **Crosswell Park** located on the corner of Lafayette and Yeadon, **North Hope Park** located at 904 North Main Street and **South Sumter Park** located on the corner of South Sumter Street and Atlantic Street; **All THREE** will open Saturday May 12 for the entire family to enjoy! All three parks have playgrounds and wonderful green space for picnicking but the most fun will come when you cool off in the *free* spray parks! Place your hand on the hand print and see the water flow! Bring your towel and sun screen and plan to have lots of fun! For those **Hot Summer Days** you'll need to head to the park... the City of Sumter Spray Parks! For more information please call 436-2640.
