

City of Sumter, South Carolina
Master Planning for the Pocotaligo Wastewater Treatment
Plant
RIA Grant #P-24-5025
Addendum 1

- 1. Will the discharge location be evaluated within the study, and if so, to what extent?**
 - a. City of Sumter Response – The City of Sumter will rely on the selected engineering firm to determine if the discharge location needs to be evaluated after completing a plant analysis.

- 2. Would the City permit proposers to include resumes in an appendix to supplement the brief biographies, with these resumes being exempt from the page limit?**
 - a. City of Sumter Response - Resumes are fine, but they are included in the page limit.

- 3. Is the City looking for an electronic submission? Or printed versions and an electronic submission?**
 - a. City of Sumter Response - 4 hard copies are to be delivered/mailed to The City of Sumter and one color pdf copy is to be uploaded to The City of Sumter's procurement website. See RFQ for mailing address and procurement website.
