SECURITY INFORMATION:

The Management of the Swan Lake Heath Pavilion requires the Lessee to provide safety/security personnel during the lease period for any party of up to 75 guests. The City requires one Security Officer for 75-150 attendees and a second Security Officer is required for bookings with over 150 attendees. The safety/security personnel will be required to be present 30 minutes before the building is open to the party representative and until at least 30 minutes after the program is completed. The safety/security personnel must be off-duty uniformed Sumter Police Officers. Visitors Center personnel will make all arrangements to secure the required personnel for the safety/security force. I understand the requirement to have Sumter off-duty police officers to act as safety/security personnel during the lease period. I understand that if I have not secured an off-duty uniformed officer, then the City of Sumter will refuse entry of additional patrons over 75. I also understand that only off-duty uniformed Sumter Police Officers are authorized for security.
