Program Overview:

The American Red Cross Babysitter's Training program is designed to provide youth who are planning to babysit with the knowledge and skills necessary to safely and responsibly give care for children and infants. This training will help participants to develop leadership skills; learn how to develop a babysitting business, keep themselves and others safe and help children behave; and get certified in Pediatric First Aid and CPR. This training is designed for youths ages 11 to 15, but we will allow ages 10-16.

Course Objectives:

Develop leadership skills
Learn how to develop a babysitting business
Keep themselves and others safe
Help children behave
Get certified in Pediatric First Aid/CPR

The Babysitter's Training course is designed to be taught at a minimum of 6 hours, 30 minutes. Students who successfully complete the course will receive a printable Babysitter's Training certificate that is good for 2 years.

For your student's safety and to best maximize your student's learning experience, please contact Grayce Howard (goward@sumtersc.gov) with anything that will allow us to better instruct your student (physical limitations, medical conditions, social/emotional/behavioral concerns, other necessary accommodations). Please be detailed.

Please contact the Aquatics Director, Grayce Howard, with any questions or concerns:
